

Gear Oil EP 80W-90 GL-4

Product Description:

Gear oil EP 80W-90 is a universal extreme pressure gear oil meeting the API performance level GL-4. Our EP 80W-90 is manufactured from high quality base oils and high levels of extreme pressure (EP) additives to provide a lubricant with outstanding anti-wear protection. It is designed to cope with the increasing demands of modern motoring conditions, which include high shock load, high torque and high speed service conditions.

Application:

EP 80W-90 is suitable for the majority of manual gearboxes, including synchromesh, fitted to automotive, industrial and commercial vehicles.

Benefits:

- Excellent oxidation stability
- Outstanding low and high temperature performance
- Guarantees the correct function of synchromesh gearboxes
- Long service life
- Good protection against rust and corrosion
- High level of wear protection

| Meets the requirements of | |
| API | GL-4 |
| Military MIL-L-2105 | |

Typical test data:

| Grade | SAE 80W-90 |
|--|-------------------|
| Specific Gravity @ 15.5°C | 0.890 |
| Kinematic Viscosity @ 40°C (cSt) | 158 |
| Kinematic Viscosity @ 100°C (cSt) | 16.4 |
| Viscosity Index | 109 |
| Flash Point (°C) | 220 |
| Pour Point (°C) | -28 |
