

Milking Machine Oil

Product Description:

Lubricants Direct Milking Machine Oil is highly refined, non-additive general-purpose mineral oil. It is manufactured using highly refined paraffinic base oils exhibiting extremely good oxidation stability and resists the formation of harmful gums and lacquers.

Benefits:

□

- High natural Viscosity Index
- Very good seal compatibility

Application:

Lubricants Direct Milking Machine oil is suitable for use in all dairy type milking machines.

Specific Gravity @ 15.6°C	0.888
Kinematic Viscosity @ 40°C (cSt)	100.03
Kinematic Viscosity @ 100°C (cSt)	11.4
VI (Viscosity Index)	100
Flash Point (COC °C)	228
Pour Point (°C)	-12

In line with our policy of continued improvement, Lubricants Direct reserve the right to change specification and availability without prior notice. This lubricant, used according to our recommendations and for its designed application, does not represent any particular risk. A safety data sheet in conformity with the legislation now current in the EC is available from <http://www.fordfueloils.co.uk>
