

## Mono CC

---

### Product Description:

Lubricants Direct Mono CC oils are a series of monograde engine oils which are manufactured from highly refined base oil. Offering excellent high temperature stability and stay in grade performance.

### Benefits:

- Suitable for static non turbo charged diesel engines and small petrol units
- Suitable for use where a “running-in” oil is required

<b>Meets the requirements of:</b>	
<b>API</b>	<b>CC/SE (30, 40)</b>
<b>MIL-L-2104B</b>	

### Application:

Mono CC engine oils are suitable for normally aspirated diesel and petrol engines in selected engines that require API CC/SE. Although engine oils to API CC may not be suitable for use in diesel powered engines built after 1990.
